

STATE OF MICHIGAN
TERRI LYNN LAND, SECRETARY OF STATE
DEPARTMENT OF STATE
LANSING

New! You can renew your mechanic license online.

To make it even easier for you, the Department of State now provides online renewals. It's simple, fast and convenient. Go to www.Michigan.gov/sos, click on "Automotive-related Businesses" and "Information for Mechanics." You'll find the link to the application at the top of the page.

To use this service, you'll need:

- Your renewal application which contains your PIN (found on the upper-right corner of the renewal application) and the last five digits of your Social Security number.
- A valid Visa or MasterCard

To begin, enter your PIN and the last five digits of your Social Security number. Use the "Mechanic License List," "Mechanic License Address Update," "Questions," "Finish" and "Logout" links in the upper-left corner of the Web pages to move from one section of the application to another. The "Logout" link allows you to exit the application at any time – your information will be saved and waiting upon your return. A confirmation e-mail will be sent once you submit your completed application.

If more than 60 days have passed from the expiration date shown in box 4 on the preprinted renewal application, **do not** renew online. If your mechanic license is currently expired, or you would like it reinstated, contact the Licensing Unit at licensing@michigan.gov or call (888) SOS-MICH (767-6424) for assistance.

Renewing your mechanic license by mail

You may continue to renew your mechanic license by mail. Your renewal application should be returned with the required fee before your expiration date.
