

# Mutual Aid Directory

As a Transportation Supervisor, there have been times when you send buses outside of your school district on trips. In case of any mechanical problems while the bus is out of your service area or after regular working hours, how do you deal with these problems?

It was a goal of MAPT to compile a Mutual Aid Directory for your use in cases like this. While this is a voluntary program, all transportation supervisors are strongly encouraged to participate in the program.

The MAPT Mutual Aid Directory is available in a three ring binder (5 1/2 X 8 1/2 X 1) at a cost of \$10.00 which includes shipping and handling.
