HAIRSPRAY

Book by Mark O'Donnell & Thomas Meehan

Music by Mac Shaiman, Lyrics by Marc Shaiman & Scott Wittman

The tradition here is broken by the show itself. This exhilarating song and dance musical comedy is to the 1960's what Grease was to 1950's ! It's all that on the surface with every kid in town tuning in each week to catch the television hit of the decade and one girl in particular fighting to get her shot on it!) but underlying, is her fight against bigotry and racial prejudice that gives this multiple Tony award winning Broadway phenomenon it's incredible impact, strength and heart!

Performance held at The F.A. Bower Theater
